How to Start?

It is quick and easy to start working with Admixer.DSP.

Just few steps and you are all set:

CASE STUDIES

Client - Moldcell

admixer.com

Objective:

Highlighting new launched offers among all online users, among current and also potential customers, maintaining in this way the notoriety of the „Moldcell” brand and generating traffic to the site.

Solution:

Non-standard coverage of users when accessing the top local platforms available in Admixer Network though the medium of the Fullscreen Parallax Video format in order to capture 100% of the user`s attention.
